Room Crawl will be Saturday starting at 1. Sign up to have your room entered in the Best Decorated or Best Drink contest at the registration desk. To be in the Best Drink contest you will need to provide enough shot-sized drinks for approx. 40-70 people. To be in the Best Decorated Room contest be ready to have everyone going in and out of your room to judge. Prizes for both will be given at Saturday night party.

There will be raffle tickets in your goodie cup. Use these to vote for best drink and best room. Drop your ticket in the boxes that will be outside each room to vote for your favorite. This seems foolproof, right?
